

3 February 1950

Major General O. A. Anderson, USAF
 Commandant
 Air University
 Air War College
 Maxwell Air Force Base, Alabama

Dear General Anderson:

I have delayed replying to your letter of 10 January 1950 in the attempt to clear up some previous engagements in order to permit my being down at the Air War College on 1 March. I find now that it will be impossible for me to make that date or, indeed, any day of that week. I suggest either the 7th, 8th, or 9th of March or some other time that may be satisfactory. In case your schedule is fixed, I shall be very glad to have a competent speaker at the Air University on 1 March to replace me.

Incidentally, although in your letter of 10 January you spoke of enclosures which would give information about the Air War College, no enclosures were received with your letter.

I am sorry that the date of 1 March for myself cannot be worked out but I hope we can reach an agreement. Either I will send a very competent speaker on 1 March or else, if you are willing to take a chance with me personally, could you make it some time later.

With best wishes, please believe me,

Sincerely,

S - disp by ROR 2/3/50
